

2024 Prairie Classic Circuit Awards

Awards will be calculated by assigning points for each placing on the following basis. The points for each placing will be totaled and the winner will be the person with the highest number of points. Each class will have a maximum of 9 placings. Ties will be broken using a tie breaker judge who will be assigned and posted at the start of the show.

We will calculate awards as quickly as possible but please note that we will not declare a winner until the last class in the division is completed. All awards must be picked up from the show, we will not mail awards so if you are leaving early find someone who will be around that can pick up the award for you.

2024 Prairie Classic High Point Awards

The following list indicates which classes will be counted for each point award. Please note that you **must** show in your respective halter class to qualify except for the L1 W/T Youth, L1 W/T Amateur and Small Fry divisions. You may not win both the L2 and the L3 Awards for a division, in the event of that happening the 2nd award will be awarded to the runner up in that division.
